

**Remarks**

By this Amendment, claims 1, 14, 21-28 and 45 are amended, and claims 4, 11-13, 17 and 47 are canceled without prejudice or disclaimer. After entry of this Amendment, claims 1-3, 5-10, 14-16, 18-46 and 48 will be pending. Reconsideration in view of the above amendments and the following remarks is respectfully requested.

Applicants appreciate the indication that claims 18-44 are allowed and that claims 3-10, 14-16 and 46-48 contain allowable subject matter. The claims have been amended to present the allowable claims in condition for allowance.

Specifically, claim 1 is amended to include the subject matter of allowable claim 4, and claim 4 has been canceled. Claims 2, 3 and 5-10 depend from claim 1, either directly or indirectly. Therefore, claims 1-3 and 5-10 should be allowed.

Claim 14, which is indicated as being allowable, is rewritten to include all of the limitations of base claim 1. Therefore, claim 14 and dependent claims 15 and 16 should be allowed.

Claims 21-28 have been amended to recite "The antenna" for correct antecedent basis. Therefore, the objection to these claims is overcome.

Claim 45 is amended to include the subject matter of allowable claim 47, which has been canceled. Therefore, claims 45, 46 and 48 should be allowed.

Applicants reserve all rights to pursue original claim 1, canceled claim 17 and original claim 45, as well as other claims, in a continuation application. To expedite prosecution and for economic reasons, however, these claims are not being pursued in this application.

Based on the foregoing, Applicants respectfully submit that all of the remaining claims are allowable and that the application is in condition for allowance. Should the Examiner believe that anything further is necessary to place the application in better condition for allowance, the Examiner is requested to contact Applicants' representative by telephone.

Respectfully submitted,
